## Product Discontinuance Notice for Titanium Ti60W64 FPGAs

Dear Efinix Customer,

Efinix, Inc. hereby announces the discontinuance of Titanium Ti60W64 devices.

**Affected Products:**

This change affects the following ordering codes:

Ti60W64C3	Ti60W64I3
-----------	-----------

**Reason for Change:**

The Ti60W64 (WLCSP64) devices have been replaced by the new Ti60V64 devices, which offer customers the option to enable the bitstream encryption feature. For customers who do not use the bitstream encryption feature (not available on the Ti60W64), this transition requires no changes to existing PCB designs, RTL design, or bitstreams created for the Ti60W64.

For detailed guidance on migrating from Ti60W64 to Ti60V64 and for instructions on enabling bitstream encryption, please refer to the FAQ <[FAQ web link](#)>. For further assistance, customers may also contact their local Efinix FAE or the Sales Team.

**Key Obsolescence Dates:**

Last Order Date : 13 September 2026

Last Ship Date : 13 March 2027

*Upon receipt of PCN: If a written request for additional information or rejection is not provided to Efinix, Inc. prior to 13-June-2026, the PCN will be considered accepted.*

**Replacement or Alternative Ordering Codes:**

Discontinued Ordering Code	Replacement Ordering Code
Ti60W64C3	Ti60V64C3
Ti60W64I3	Ti60V64I3

**Contact:**

For more information, please contact a Sales & Marketing, FAE, or Quality Assurance Engineering representative in your region.
